

LAVENDER OREGANO

protective blend

10ml

*HB*Naturals
PRODUCT INFORMATION PAGE

application

Topical

safety group #4

ingredients

Lavandula angustifolia (Lavender, vera), Origanum vulgare (Oregano), Sesamum indicum (Sesame Seed)

ingredient highlights

- Pure Lavender oil is one of the most versatile aromatherapy oils and is a 'must-have' for the home first-aid kit. It is extremely beneficial for a wide variety of ailments ranging from aches, pains, and skin complaints to colds & flu, stress, headaches, and insomnia. Lavender, vera has a calming scent that makes it an excellent tonic for the nervous system. It helps with headaches and migraines, anxiety, depression, and emotional stress.*
- Oregano essential oil is considered to be the "heavy artillery" when waging war against bacterial infections. Many studies have confirmed it as a potent antibiotic, anti-fungal, antiseptic, antispasmodic, and antiviral, and unmatched in its ability to kill a wide range of pathogenic bacteria. Although Oregano is truly impressive as a natural antiseptic, it contains a high amount of phenols which make it extremely strong, and it has the potential to burn skin and mucous membranes if used undiluted.*

product summary

This unique blend has the benefit of the powerful antiseptic properties of Oregano Essential Oil from Hungary, with a carvacrol (phenol) content at 78% to 80%, and our gentle Lavender, Vera from Bulgaria. Together they create a phenomenon known in the natural world as "quenching". This means that the severe skin irritation produced by the Oregano is alleviated by the anti-burn and soothing properties found in the Lavender, Vera.*

This blend has been used in medical clinics very successfully in treating antibiotic resistant fungus.*

Oregano is renowned for its antiseptic properties, and the Lavender Oregano blend can be used on insect bites and animal bites (around bite) whenever there is the possibility of West Nile Virus or another disease.

May help prevent infection in shallow cuts and scratches.*

uses

- Apply to insect bites as needed to relieve itching.*
- Apply to shallow cuts and scratches once or twice and then follow up with Tea Tree Oil.*
- Apply to nail beds and surrounding tissue two to three times per day as needed to treat nail fungus.*

responsible cautions

- Oregano is liver-toxic and should not be used on an everyday basis; after one bottle take a two-week break before using one more bottle.
- Keep out of reach of children and pets.
- Avoid contact with eyes and mucous membranes. If you should get oil in the eyes, apply a carrier oil and seek medical help
- If you are pregnant, nursing, or under a doctor's care, consult your healthcare provider prior to use.
- Store away from sunlight, at room temperature, with the lid securely tightened.
